

12Volt

80ah @20hr

640A/CCA

Calcium Sealed MF / / Maintenance Free

## PERFORMANCE

|                                |     |
|--------------------------------|-----|
| Nominal Voltage [V] :          | 12  |
| 20HR Capacity [AH] :           | 80  |
| Reserve Capacity [MIN] :       | 145 |
| Cold Cranking Amps (SAE) [A] : | 640 |

## DIMENSIONS AND WEIGHT

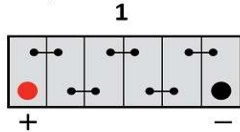

|                              |      |
|------------------------------|------|
| Length [mm] (±1,5) :         | 260  |
| Width [mm] (±1,5) :          | 172  |
| Height [mm] (±1,5) :         | 200  |
| Total Height [mm] (±1,5) :   | 227  |
| Battery Weight [kg] (±0,5) : | 20,6 |

|          |       |
|----------|-------|
| Case :   | Black |
| Cover :  | Black |
| Handle : | Black |

## Terminal Layout / Polarity

Cell Layout :

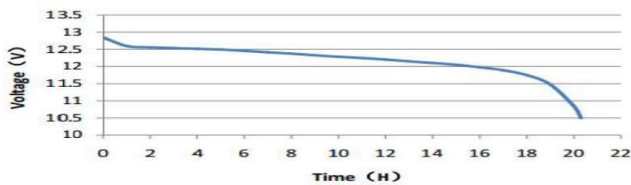

## Terminal Type

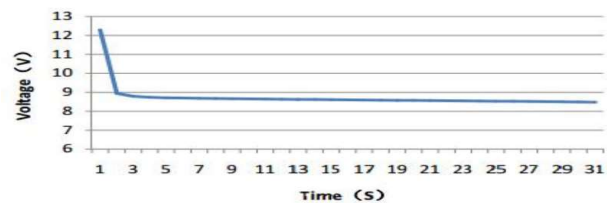

## Base Hold Down

## 20hr Capacity Test Graph ( 4A discharge rate )

## Cold Cranking Test Graph ( -18°C , 640A/CCA )

## Life Cycles
